Reaffirming Our Commitment to Indiana and Beyond

IUPUI launched its strategic plan, *Our Commitment to Indiana and Beyond*, in 2014. We have already accomplished many of the objectives we envisioned then. As we celebrate IUPUI's 50th Anniversary, we reaffirm our strategic plan commitments through updated and renewed goals and objectives, each designed to continue advancing IUPUI's vision.

Vision for IUPUI

To be a leading urban research institution recognized for the success of our students, our advances in health and life sciences, and our intellectual, economic, and cultural contributions to the well-being of the citizens of Indianapolis, the state of Indiana, and beyond.

- Offer students an innovative and distinctive urban educational experience.
- Translate research into solutions that improve people's lives.
- Foster a welcoming campus where all individuals are valued and supported.
- Work in and with the community, learning together to address urban needs.

IUPUI's Strategic Plan

FOCUSES on three broad priorities, each crucial to the future success of our institution, our city, and our state.

ADVANCES 10 strategic goals that position the campus for greater strength and excellence as IUPUI celebrates its 50TH Anniversary in 2018–2019, and both Indiana University and the city of Indianapolis prepare to celebrate their respective bicentennials in 2019–2020.

CONTRIBUTES to key state and national goals for degree attainment and economic development.

BUILDS on existing sources of strength, honors prior investments, and reflects widespread stakeholder involvement in ongoing planning, implementation, and improvement processes.
